The Story of Spice Chest

Tres Links (Pvt) Ltd the custodian of the brand Spice Chest is based in Colombo, Sri Lanka. "Spice Chest" was developed to take Sri Lanka's treasured spices and herbs overseas for the rest of the world to enjoy its goodness.

Spice Chest takes great pride in sourcing the finest spice and herbs directly from the farmer ensuring our customers receive the best produce while the farmers are paid a fair price empowering them to develop a sustainable production.

We place utmost importance to mother nature and this planet that we all call home. It is our promise to you that Spice Chest will continue its efforts in striving to be a fully sustainable and an environmentally friendly business.

Pure Infusions Range

Be treated to a revitalizing brew of pure spice. Drinking an infusion is the easiest way to fully enjoy a spice's richness, taking in its aroma and subtle flavours while receiving its many health benefits.

Cinnabag

Rich permeating aroma and a depth of gentle but robust flavours that make it perfect for feeling cozy, clear, and refreshed

Moringabag

A lively herbal aroma and mild, earthy, peppery taste with no bitterness. This immunity-booster is energizing and great at melting away stress.

Gingerbag

It tastes spicy with mild floral notes, making it a great palate cleanser. It also has a calming effect on the digestive system and is ideal to drink with a meal.
